

*My Prayer
to
My Creator*

May my Prayer to my Creator, as I live in the illusion of time, be never stopping, continual and eternal. I ask for nothing, as I am in a formless reality with You where there is nothing I need.

May my prayer to You be that of our Oneness of Love and Gratitude with each other; united with You, my Source, experiencing no separation; and in Your Consciousness where there is no form of any kind, no illusions or bodies, no fear, and a Love from You that is so gentle and kind it is beyond my imagination.

May my Holy Prayer of Love and Gratitude for all of Your Love keep me in Your Consciousness where I know I will always be safe, where I will never be judged or hurt, where there is no separation or death, where there are no words or sounds, no needs, scarcity or loss, and a reality where Love is all there is, and is everything.

May my Prayer to You, my Creator, be my way of communicating with You and celebrating the Sacred Oneness of the Light of our reality.

While I am in this costume of a body, may my Prayer be a continuous, never-ending Prayer of Love, Forgiveness, Gratitude and Light that shines away the fear and darkness of this fear-filled ego's illusory world.

May You use me, as long as I remain in this illusory body, as a messenger of Love and Forgiveness wherever I am and wherever I go.
